

EW2 Script Process

Pitches (Live Google Docs)

- Receive Pitch
- **ShoeInk** and **SE** to note on these only
- **ShoeInk** and **SE** Discuss which is moving forward
- We send consolidated notes back to writers to move to Premise

Premises (Live Google Docs)

- Receive Premise
- **ShoeInk** and **SE** note on these when submitted
- **ShoeInk** or **SE** either implements or sends back to writer to revise
- **SE** reviews, makes final revisions, decides its safe to send.
- **First Delivery:** Send to **Sara** (children consultant), **Wes** (director) and selected **Science Consultant**. We may need to reach out to others if needed
- **SE** reviews notes, notifies the team if we need a discussion and/or implements fixes and/or decides it's safe to go to PBS.
- **Second Delivery:** Send to PBS
- **SE, ShoeInk** and **Pipeline** review notes and make decision if it's a green lighted script
- **SE** sends consolidated notes to writers

Outlines (Live Google Docs)

- Receive Outline
- **SE** does her pass and/or notes
- **Delivery:** Send to **ShoeInk** and **Wes** (Director), **PBS**
- **SE** reviews notes, notifies team if we need a discussion and/or implements fixes and/or decides it's safe to send consolidated notes to Writers

First Drafts (Google Line Tracker System)

- Receive First Draft
- **SE** does her pass and/or notes
- **Delivery:** Send to **ShoeInk, Wes** (Director), **Sara** (children consultant), selected **Science Consultant, PBS**
- **SE** send consolidated notes to Writers

Second Drafts (Google Line Tracker System)

- Receive Second Draft
- **SE** does her pass and/or notes
- **Delivery:** Send to **ShoeInk, Wes** (Director), **PBS**
- **SE** send consolidated notes to Writers

Polish Drafts (Google Line Tracker System)

- Receive Second Draft
- **SE** does her pass and/or notes
- **Delivery:** Send to **ShoeInk**, **Wes** (Director), **PBS**
- **SE** implements the consolidated notes.

Record Drafts

- Receive final Draft from SE.
- **Paul** creates Record Draft

Important to Note:

- We may have to reach out to the **Science Consultants** for guidance as much as necessary during the scripting process.
- As we move along - commenters will be removed off of drafts, i.e. **PBS** and **Wes**.
